Everything You Need to Tell Your Story

BUSINESS WIRE’S MULTIMEDIA OPTIONS

Smart News Release: Add high-resolution photos, videos, audio or images and turn your words into visuals.

Business Wire Interactive Media: Tell, and sell, your story with more impact through an engaging and measurable multimedia experience. Make your news release a marketing campaign asset — increasing click-throughs, message adoption and earned media.

INVESTOR RELATIONS

Business Wire Investor Relations Services: Disclose your news to regulatory authorities, investors, media, analysts and all your other target audiences. We are a trusted, recognized disclosure vehicle for financial news in the U.S., Canada and markets throughout Europe.

TRADESHOWS AND EVENTS

Business Wire Tradeshow Services: Make your news accessible to audiences at more than 600 tradeshows, conferences and other events worldwide. As the exclusive show news provider, we distribute your news releases to reporters covering the show and to industry experts and those following the event virtually.

REPORTING

Business Wire NewsTrak Reports: Measure success as soon as your story is told. Get a data-rich accounting of exactly who read your news release and how they used it.
OUR STRUCTURE
22 bureaus. 18 full-service newsrooms. That’s our idea of localized service. Our local newsrooms mean your news is distributed safely, securely and accurately by seasoned editors who know you and your business.

OUR EDITORIAL TEAM
Experience matters. We have more than 150 editors averaging 10 years of tenure. Speed and accuracy also matter. Our editorial team has the expertise, perspective and know-how to get your news to where it matters most.

OUR ACCOUNT TEAM
We understand that success means aligning your goal and content with your audience. Our account team is here to help. With more than 1,600 distribution options from global to niche, our experts will help you match your news to your audiences.

OUR RELATIONSHIPS
We deliver your news right into the content management systems of the AP, Dow Jones, Thomson Reuters, Bloomberg and other news media. Reporters get immediate access to your news release from their own systems, ensuring your news will get the attention it deserves. Distribution options include 219 industry and trade categories and a global circuit delivered worldwide in more than 20 languages.

“With Business Wire’s full suite of product and service offerings, the busy PR practitioner can count on a reliable turnkey solution when juggling multiple demands in a short span of time.”
