

Business Wire Public Relations Services

THE REACH TO MAKE YOUR NEWS MATTER

Every day, thousands of news releases go out over a wire service. You're communicating in a noisy world. So why not work with the wire service uniquely able to help you cut through the clutter and get heard?

For almost 60 years, Business Wire has been connecting audiences with organizations — with millions of news releases reaching countless readers, no other partner can give you the local, individual service that Business Wire can.

Everything You Need to Tell Your Story

BUSINESS WIRE'S MULTIMEDIA OPTIONS

Smart News Release: Add high-resolution photos, videos, audio or images and turn your words into visuals.

Business Wire Interactive Media: Tell, and sell, your story with more impact through an engaging and measurable multimedia experience. Make your news release a marketing campaign asset — increasing click-throughs, message adoption and earned media.

INVESTOR RELATIONS

Business Wire Investor Relations Services: Disclose your news to regulatory authorities, investors, media, analysts and all your other target audiences. We are a trusted, recognized disclosure vehicle for financial news in the U.S., Canada and markets throughout Europe.

REPORTING

Business Wire NewsTrak Reports: Measure success as soon as your story is told. Get a data-rich accounting of exactly who read your news release and how they used it.

"With Business Wire's full suite of product and service offerings, the busy PR practitioner can count on a reliable turnkey solution when juggling multiple demands in a short span of time."
